

## the alternative proposition for all places

The light, multipurpose AEGEAN series is suitable for space limited rooms and areas. Wherever there is a need to house the maximum number of end users, for educational rooms, conventional halls and waiting areas, this series gives solution. It offers a wide range of materials able to cover all demands.

Stand alone or combined with tables, writing tablets and other accessories this series can be installed in rooms where the installation of other chairs would be impossible.

Modern design Steel frame Ideal also for waiting areas Ideal for teaching rooms
